Brand New Book ***** Print on Demand *****.Devotionals for Rogue Art Genesis is a companion guide to the first twelve works of Rogue Art created by artist Brad Morrow. After you have seen the works in an exhibit or in the book Rogue Art Genesis or online, this book provides a thoughtful series of unique daily devotions for each work; a week of daily devotions for each work. The twelve works are divided into two groups of six. The first six pieces guide us to consider the Lord's beautiful and painful work to set us free; free from sin, free to live new lives and free to know our God. The second series will draw us to consider how we see God. The art asks us to consider, Does our view of God align with who he really is? Or at times is our view of God smaller, more timid, less dangerous than the real creator of a billion galaxies referred to in scripture? As you step into these unique devotional methods which utilize the new art form Rogue Art, may you experience the Lord in deeper, richer ways than ever before.
