Mind in the Making: The Seven Essential Life Skills Every Child Needs

By Ellen Galinsky

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Mind in the Making: The Seven Essential Life Skills Every Child Needs, Ellen Galinsky, Ellen Galinsky has spent her entire career studying early childhood development, first at Vassar College, then for twenty-five years at the Bank Street College of Education, and for the past twenty years as the founder and now president of the Families and Work Institute. What she has found is that there is an enormous gap between what researchers have discovered and what parents have been told about those discoveries. "Minds in the Making" bridges this gap, bringing the work of more than a hundred scientists into a form that parents everywhere can use. Galinsky has divided this information into the seven skills she believes all children should learn, showing parents not only what children are capable of, but specifically how to develop those capabilities in their children from birth up until age eight.
