

A Pocket-Book of British Birds (Classic Reprint)

Filesize: 6.29 MB

Reviews

This kind of publication is every thing and got me to searching in advance and much more. It really is simplistic but surprises within the 50 percent from the ebook. I am easily could get a satisfaction of studying a composed publication.

(Orval Halvorson III)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Pocket-Book of British Birds As introductory to this little book, I think it is desirable that its object should, in the first place, be explained. It is intended solely for the purposes of reference in the field, and has been very carefully compiled by the combined aid of well-known ornithological works, coupled with practical observations and notes made by myself from time to time in various parts of the British Isles. The book is of a small size, and should be carried in the pocket, where it would always be handy. I am aware that an alphabetical arrangement has much to commend it, but I have refrained from adopting such for the very reason that, in the field, as elsewhere, the mind should be trained to regard birds as creatures belonging to some distinct order and family; accordingly I have adopted a scientific arrangement similar to that set forth in Howard Saunders s admirable Manual of British Birds, a comprehensive work that all lovers and students of Ornithology, requiring more complete information, should at once consult. Information will be found about all British birds that breed in these islands, and those that are regular visitors at one time of the year or another. Rare species - in some cases irregular stragglers and perhaps unwilling visitors - hardly come within the scope of this book, as the chances of seeing them during a country ramble are very slight. Dismissing at once those species of which only a few specimens have been observed or obtained in this country, there yet remain a goodly number of rare birds, and a short note about them is given, either...
