I recommend this book highly as one of the 10 most important must read books published this year, Robert Plotkin, Founding President, World Trade Center San Diego. Three Steps to Wealth Financial Security - All That Glitters Isn t Gold is a back to basics, easy to use guide to reassert financial control and secure your financial future. The book draws on real world examples that husband-and-wife authors attorney Gary Laturno, Esq. and Victoria Kuick, MBA, have encountered in counseling over two thousand homeowners in financial distress since 2007. As a result, the book will be an easy read for people who find financial matters confusing or even frightening. The authors straightforward guidance and recommendations will help many take charge of their financial futures. Comments by Readers: I read your book last night. I m incredibly impressed!
