A fitting emendation may be formulated in the words, condensation is the grand secret of conveying instruction. Diffusiveness too often defeats its own object. Prolixity may be justifiable in the case of those annalists who have at their command unlimited time and space in which to review and particularize unimportant facts - a condition which does not apply to the compiler of such a work as this, necessarily confined to generalization the crowding of great events into a line and the history of centuries into a paragraph. The labor of preparing for the press the present little volume has been much greater than is apparent upon the surface, and consisted not so much in the actual amount of writing done as in the comparison of authorities, the securing of data, and the winnowing of the chaff from the grain. This task has been conscientiously performed, and the narrative part of Inland Massachusetts Illustrated will be found clear and concise, suited to popular reading and to the purpose in view - that of describing in the fewest possible words the country, the villages and cities, the public institutions, the industries and attractions presented to those who seek advantageous opportunities for the investment of capital in productive enterprises as well as the topographical and climatic beauties sought by the tourist for pleasure or instruction.
