CASCADE BOOKS, United States, 2014. Hardback. Book Condition: New. Hannah Parry (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the weird and wonderful world of the Bible. When we read Scripture we often imagine that the world inhabited by the Bible's characters was much the same as our own. We would be wrong. The biblical world is an ancient world with a flat earth that stands at the center of the cosmos, and with a vast ocean in the sky, chaos dragons, mystical mountains, demonic deserts, an underground zone for the dead, stars that are sentient beings, and, if you travel upwards and through the doors in the solid dome of the sky, God's heaven--the heart of the universe. This book takes readers on a guided tour of the biblical cosmos with the goal of opening up the Bible in its ancient world. It then goes further and seeks to show how this very ancient biblical way of seeing the world is still revelatory and can speak God's word afresh into our own modern worlds. A masterful exposition of the sacramental worldview of the Old Testament. . . . If you figure the Old Testament is simply incompatible with the Christian Platonism of the Christian tradition, you just may be startled by the insights of this book. --Hans Boersma, J. I. Packer Professor of Theology, Regent College, Vancouver, BC, Canada Delightful. Robin Parry takes the reader on a fascinating tour of biblical cosmology and theology. If you want to enter the minds of the biblical writers, this book will guide you with wit and sound learning. --Gordon Wenham, Professor emeritus of Old Testament, University of Gloucestershire, Trinity College Bristol, Bristol, UK Parry expertly guides us through the strange...
