Excerpt: . . . 11 We must also work and support research institutions in ongoing scientific feed trials to ensure co-products can be used in our feed-ing rations accurately and the feed value can be publicly docu-mented. As new co-products are created, feed documentation will continue to need support regardless of what type of livestock is being fed. Other policy options - many other approaches have been dis-cussed, such as early release of CRP. I want to thank all the Sen-ators who have supported you, Chairman Harkin and Senator Grassley from Iowa, for supporting the early release of the CRP acres for grazing and hay. Also, the preventative planning dates and crop insurance adjust-ments need to be reviewed to make sure that when we have inci-dents like we had this summer, that we get some sort of crop planted on these acres that get flooded out. And finally, the Texas waiver for the EPA request has now been decided....

Reviews

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
